ALL ATTRACTIONS OPTIONS. The listings below include all types of attractions options in alphabetical order with those in the city of Duluth displayed first followed by those that are outside city limits.

### **Attractions in Duluth, MN**

One of the most striking and easily visible characteristics of *Brettanomyces* is its ability to produce a pellicle on the surface of a beer during fermentation and aging. While not the only genus of yeast or bacteria capable of creating these structures, *Brettanomyces* tends to be the organism most commonly responsible for their presence under average sour brewing conditions.

This is not intended to be an exhaustive guide to Belgian beer (but see further reading for suggestions), rather an introduction to get the first-time visitor to Belgium started on the world's most wonderful beer culture. Beermad doesn't claim any great expertise on the subject, merely a love of Belgium and its beers and a desire to introduce others to the pleasures of this wonderful country.

### **Beermad: a Beginner's guide to Belgian beer**

The rivers of Southwestern Ohio continue to shape its destiny. The Ohio and Great Miami rivers provided transportation for people and products via river barges and canal boats. Water power helped industries grow and encouraged technological advances that continue today in cities such as Cincinnati and Dayton, where the arts flourish and sports teams entertain...
