Backstreet Boys is the eponymous debut studio album by American boy band Backstreet Boys, released in 1996 by Jive Records. It was a success, becoming one of the biggest debut albums ever, and contains a number of the band's most memorable singles. All of those singles were later released on the second self-titled debut in the United States in 1997, which compiled songs from this album, and the ...

I live in Korea, currently. It seems like there are 4 big companies that control pretty much the whole economy: Samsung, LG, Lotte, and CJ. The thing that surprises me day-to-day is that you can see many different brands, but if you look on the back of the product or label, it will often say it's made by or distributed by Samsung/LG/CJ/Lotte.
