Andrew Collins reveals that these angels, demons, and fallen angels were flesh-and-blood members of a race predating our own. He offers evidence that they lived in Egypt (prior to the ancient Egyptians), where they built the Sphinx and other megalithic monuments, before leaving the region for what is now eastern Turkey following the cataclysms that accompanied the last Ice Age.

I'm very pleased that I finally sat down and read Andrew Collins' book From the Ashes of Angels. The author is a fine researcher and scholar. The reader needs to be aware, however, that Collins' determined exploration of every facet of his subject occasionally leads him to crawl down some tedious rabbit holes.
