### **Every problem has a solution. Do you agree? - researchgate.net**

In essence a problem means, you desire something but you cannot get it. This is true from abstract problems to mathematical problems. If you ask a question that only means you think there is a solution to that. Otherwise you could not even ask that question. So philosophically every problem has a solution.

**Does every problem have a solution? - Quora**

Solution Quotes. Because advertising and marketing is an art, the solution to each new problem or challenge should begin with a blank canvas and an open mind, not with the nervous borrowings of other people's mediocrities. That's precisely what 'trends' are - a search for something 'safe' - and why a reliance on them leads to oblivion.
