Today I have decided to write a review of Frida's Bed, a novel written by one of my favorite Croatian authors, Slavenka Drakulic. The literal translation of the original title (Frida ili o boli) is: Frida or 'on pain', which emphasizes one of the main themes of Drakulic's novel: pain and love.

Frida's Bed - Slavenka Drakulic Frida Kahlo, the immortal painter of Mexico, who celebrated her physical and mental pains through the paintings in the first half of the 20th century. It was the movie named after her which gave Salma Hayek her Oscar, that got me interested in this painter. Through her 'self portraits' with vivid colors and ...

### **BrainDrain: Frida's Bed - Slavenka Drakulic - blogspot.com**

Frida's Bed is the kind of posthumous literary ventriloquism that is rarely attempted, and even more rarely sustained, with such imagination over the course of an entire novel. Slavenka Drakulic inhabits the consciousness of Frida Kahlo with such authority that one may easily forget that it is not Kahlo herself who wrote the book.

Frida's Bed is a strange tale strangely written. Of course Slavenka Drakulić isn't entirely to blame, it IS Frida Kahlo's life it chronicles, after all. Admittedly I'm not generally a fan of historical fiction because you just can't tell where the history leaves off and the fiction begins.

### **Frida's Bed by Slavenka Drakulić - Goodreads**

Slavenka Drakulić is a notable Croatian journalist, novelist, and essayist whose first novel S. (also known as As If I Am Not There) has the rare distinction of being a work of translated fiction by a woman that's included in 1001 Books You Should Read Before You Die. Goodreads tells me that she has...
