### **Floating in My Mother's Palm A Novel Summary and Analysis**

"If I look closely, I can almost see myself floating in my mother's palm. Yet, when I shut my eyes, I find a different image of my mother releasing me as we dance in the storm and twirl in separate circles that cause the water to ripple from us in widening rings which merge in one ebbing bracelet of waves where the borders of the quarry meet the water, far from the center where my mother and ...
