Forgiveness. In certain contexts, forgiveness is a legal term for absolving or giving up all claims on account of debt, loan, obligation, or other claims. As a psychological concept and virtue, the benefits of forgiveness have been explored in religious thought, the social sciences and medicine.

Forgiveness - Wikipedia

Forgiveness and reconciliation in this context are therefore about shifting and even transforming people's attitudes, prejudices, and perceptions about the "other." Forgiveness isn't an act of kindness born out of the victim's generosity, but rather a re-humanizing gift emphasizing the humanity of the perpetrator.
