### **Everything That Glitters Aint Gold**

"All that glitters is not gold" is an aphorism stating that not everything that looks precious or true turns out to be so. This can be applied to just about any experience in life. While early expressions of the idea are known from at least the 12th century, the current saying is derived from a 16th-century line by William Shakespeare

### **Everything That Glitters Ain't Gold - amazon.com**

The 'glitters' version of this phrase is so long established as to be perfectly acceptable - especially as 'glisters' and 'glitters' mean the same thing. Only the most pedantic insist that 'all that glisters is not gold' is correct and that 'all that glitters is not gold', being a misquotation, however cobweb-laden, should be shunned.
