The medical community does not recognize the term "excited delirium" as a valid medical condition and it is not listed in the Diagnostic and Statistical Manual of Mental Disorders. While the term and condition is used and aggressively promoted by the manufacturer and who has funded several efforts to promote and lobby for its acceptance, the medical community has largely rejected excited ...

Lester William Polsfuss (June 9, 1915 – August 12, 2009), known as Les Paul, was an American jazz, country, and blues guitarist, songwriter, luthier, and inventor. He was one of the pioneers of the solid-body electric guitar, and his techniques served as inspiration for the Gibson Les Paul. Paul taught himself how to play guitar, and while he is mainly known for jazz and popular music, he had ...
