Free Range Learning is not merely about homeschooling; it's about the way people learn and interact with others, about what we take from life, and about what we make of life. Weldon's eloquent writing is backed by numerous studies and research.

**Free Range Learning: How Home-Schooling Changes Everything ...**

The teenaged years are actually the most rewarding of the homeschooling years. That's what we've found with our four homeschooled kids. And that's what I was told by many of the 110 families I interviewed for my book Free Range Learning: How Homeschooling Changes Everything. People in Ireland, Australia, India, and the U.S. described ...

**Benefits of Homeschooling | TheHomeSchoolMom**

Laura Weldon, author of Free Range Learning: How Homeschooling Changes Everything, says that conventional schools operate on the principles that kids should be able to sit still and pay attention, meet age — and grade — appropriate learning goals, and get good scores on tests. Research tells a different tale.
