So: did Peter Straub know his abilities when writing Floating Dragon? I'm not entirely convinced that he did. But I'd say that if he did not, Floating Dragon might well have represented a different sort of thing for him: an extended period spent inside the batters' cage, testing the range of those abilities.

FLOATING DRAGON. AFTER TEN YEARS IN DUBLIN AND LONDON, my wife and I moved back to the United States with our our two-year-old son in the summer of 1979. We were so out of touch with American realities that to us Cape Cod, Long Island, and Connecticut's Fairfield County seemed within a hour or two drive of each other and more or less identical.
