Fallen Skies Philippa Gregory

Fallen Skies is an extraordinary story of the turmoil and ugly legacy of the First World War from the bestselling author of *Wideacre*. Lily Valance wants to forget the war; her father has been killed in France and several friends are dead or maimed beyond recognition.

Fallen Skies - Philippa Gregory

I hadn't expected to enjoy *Fallen Skies* as much as I did. I still maintain that "*The Other Boleyn Girl*" is her best book, but this is way up there near the top of my list. The vivid descriptions of the vaudeville theater, and the delicious glimpses of 1920s Portsmouth and Southampton, were so much fun.

Fallen Skies by Philippa Gregory - Goodreads

Philippa Gregory is one of my favorite authors and she hit it out of the park again with *Fallen Skies*. It was such a compelling story -- a complete page-turner -- that gave a poignant view of the aftermath of war. The damage it does on the inside can be more significant than what you can see in pictures or on gravestones.

Philippa Gregory was an established historian and writer when she discovered her interest in the Tudor period and wrote the novel *The Other Boleyn Girl*, which was made into a TV drama, and a major film. Now, six novels later, she is looking at the family that preceded the Tudors: the magnificent Plantagenets, a family of complex rivalries, loves, and hatreds.

I discovered Philippa Gregory within the last year and have now read five of her books, *Fallen Skies* being the most recent. As always, she has created multi-dimensional characters where it's possible to even feel some sympathy for the "villain" of the piece.

Philippa Gregory was born on 9 January 1954 in Nairobi, at that time serving as capital city of British Kenya (modern-day Republic of Kenya), the second daughter of Elaine (Wedd) and Arthur Percy Gregory, a radio operator and navigator for East African Airways. When she was two years old, her family moved to Bristol, England.

Philippa Gregory - Wikipedia

Gregory's work reveals the usual high drama with rhythm and grace, dense prose that reveals and dissects, human failings stripped to the bone. But Lily is a survivor, a girl grown to womanhood in the harsh landscape of a deeply troubled marriage: "We've got to live no matter how many skies have fallen." (DH Lawrence)
