Citations: A Guide to Creating Proper Source Citations ...

Half the details attested on the document were false, even though the certificate was to be evidence in litigation before a court. A legal brief prepared by one set of attorneys supplied a

source citation for the document; but, as noted under Adjustment 1 above, citing one's source does not prove the "facts" asserted in any piece of evidence. The validity of those facts is established by a thoughtful analysis of the record, its characteristics, and the context under which it was created.
