For Space Doreen Massey

In honor of the late Doreen Massey, an eminent geographer who died Friday at age 72, we repost her Social Science Bites podcast, which has long been one of our most popular. In this interview, Massey asked us to rethink our assumptions about space -- and explained why.

Doreen Massey on Space - Social Science Space

Doreen's descriptions of her journey through England for example are clear and precise accounts of this idea, and she very sharply characterizes the attempts not to recognize this idea as utopian and nostalgic." - Olafur Eliasson . In this book, Doreen Massey makes an impassioned argument for revitalising our imagination of space.

Amazon.com: For Space (8601405796691): Doreen Massey: Books

"The reason for my enthusiasm for this book is that Doreen Massey manages to describe a certain way of perceiving movement in space which I have been - and still am - working with on different levels in my work: i.e. the idea that space is not something static and neutral, a frozen entity, but is ...

For Space by Doreen Massey - Goodreads

Introduction Doreen Barbara Massey was an influencer on urban social space. Her books have gained acclaim in many parts of the world, particularly in the West. She was a professor of Geography at Open University. She wanted people to re-think their associations and connections with physical city spaces. She received many awards from around the world.
