Free as in Freedom - Wikipedia

Community Reviews. In an interesting twist, the publisher O'Reilly has released this book under the GNU Free Documentation License, meaning that the book may be freely copied and sold. FREE AS IN FREEDOM is Sam Williams' biography of legendary software developer and political thinker Richard Stallman.

Free as in Freedom: Richard Stallman's Crusade for Free ...

"Free as in Freedom" interweaves biographical snapshots of GNU project founder Richard Stallman with the political, social and economic history of the free software movement. The book looks at how the latest twists and turns in the software marketplace have done little to throw Stallman off his pedestal.

Free As In Freedom Richard Stallman And The Free

set in motion the writing of Free as in Freedom: Richard Stallman's Crusade for Free Software and, by extension, the work prefaced here, Richard Stallman and the Free Software Revolution. Needless to say, a lot has changed over the intervening decade. Originally conceived in an era of American triumphalism, the book's

Free as in Freedom (2.0): Richard Stallman and the Free ...

In 2002, Sam Williams wrote Free as in Freedom, a biography of Richard M. Stallman. In its epilogue, Williams expressed hope that choosing to distribute his book under the GNU Free Documentation License would enable and encourage others to share corrections and their own perspectives through modifications to his work.

Free as in Freedom 2.0, by Richard Stallman | FSF Shop

Free as in Freedom interweaves biographical snapshots of GNU project founder Richard Stallman with the political, social and economic history of the free software movement. It examines Stallman's unique personality and how that personality has been a...

Free as in Freedom: Richard Stallman and the Free - O ...

Free as in Freedom is a generally sympathetic but far from hagiographic biography of Richard Stallman, inspiration of the free software movement. While much of the material in it will be familiar to anyone actively involved with free software, there are, as Williams claims, "facts and quotes in here that one won't find in any Slashdot story or Google search."
