Crown princess Aurelia is a survivor. She survived attempted assassination. She survived the king's rejection. She survived her mother's abandonment. And now, in exile, she must survive her kingdom-from hostile crowds to raw frontier to desert sands. But even as unknown assailants track Aurelia and expedition guide Robert, she knows what her greatest risk is: falling love...

Exile (Aurelia #2) by Anne Osterlund Book Reviews

Hello Readers! After racing for our lives in the arena, crossing the Gate, riding the frontier, surviving the desert, and sailing into exile together, Aurelia, Robert, and I are thrilled to announce that their third and final novel, Redemption, is set for publication on October 17th! Thank you all for your amazing support as we have tackled the equally fabulous/frustrating/epic journey of ...

(as related by Anne Osterlund) Exile began with Aurelia, of course. She has always insisted on a sequel to her first book—at least as far back as I can recall. Though, technically, I started typing the initial draft of Exile the weekend after my first submission deadline for Academy 7.

I had no idea what to expect with Exile, all I knew I wanted was to hear more about Aurelia and her compassion for the people of Tyralt and to see what developed with Robert. Oh I was not disappointed at all! There were lots of moments where Anne just paints a very vivid picture of what I would expect for Aurelia and her encounters with her people.

EXILE was a great continuation of Aurelia's story. It's full of tension - danger lurking everywhere with double-crossings and betrayals. Romantic tension also fills the book; it's both frustrating (in a good way) and adorable. I love the bittersweet moments between Aurelia and her mother. I like how Aurelia's mind works through all that she sees.
