Feudal Society, Volume 2, Bloch - press.uchicago.edu

The French historian Marc Bloch, arguably the most influential 20th-century medieval historian, approached feudalism not so much from a legal and military point of view but from a sociological one, presenting in Feudal Society (1939; English 1961) a feudal order not limited solely to the nobility. It is his radical notion that peasants were ...

Feudalism - Wikipedia

Marc Bloch's Feudal Society is the most informative and by far the best documented treatise one is likely to encounter among all the books and articles ever written on this subject. Bloch cogently remarked, in effect, that a land without a Lord is a land without a history, and that of course is a land without records - records which document ...
