Expressed, Implied, or Inherent Power?

Explain each of the following: expressed powers, implied powers, and inherent powers.

Explain each of the following: expressed powers, implied ...

Both implied and inherent powers are as opposed to explicit powers. An explicit power is one that is enumerated in the Constitution or an Act of Congress. If you wanted to distinguish implied and inherent power, implied powers would be ones that are not enumerated, but follow logically from ones that are enumerated. Inherent powers would then be those that are said to derive from the nature of a position.
