### **Exposed Kimberly Marcus**

Kimberly Marcus' debut, *Exposed*, focuses on Liz Grayson, a girl with a real talent for photography and an even more real and long-standing friendship with Kate Morgan. Liz and Kate are the type of friends who spend copious amounts of time together - and any one can tell from the right angle that they are as close as sisters.

### **Exposed by Kimberly Marcus - Goodreads**

KIMBERLY MARCUS lives with her husband and two children near the beach in Massachusetts, not far from the ferry to Martha's Vineyard. She is a clinical social worker specializing in the treatment of childhood and adolescent trauma. *Exposed* is her first novel. ### **Exposed by Kimberly Marcus | Novels | Rape**

In the tradition of Ellen Hopkins and Patricia McCormick, Kimberly Marcus uses free verse to tell the realistic story of one teen's plight in her debut novel, *Exposed*. High school senior Liz Grayson, aka Photogirl, lives to find the perfect photographic mood and shot, while her "forever-best friend" Kate has spent most of her life dancing.

### **Exposed by Kimberly Marcus - Review | BookPage**

4.5 stars *Exposed* is a quick reading, taking me just over an hour to finish, but it's also hard-hitting and emotional. Kimberly Marcus' use of verse wondrously illustrates how quickly 16 year old Liz's life falls apart. How her best friend, her brother, and her photography come crashing down around her.

### **Exposed by Kimberly Marcus - Review | BookPage | BookPage**

Kimberly Marcus didn't hold back where other authors could have. *Exposed* was extremely empowering, personal and raw. I will definitely be picking up all future works by 2011 YA Debut Author, Kimberly Marcus.

### **Exposed by Kimberly Marcus (9780375866937)**

And for the first time in her life, Liz finds herself unable to trust her own point of view. Told in stunning, searingly raw free verse, *Exposed* is Kimberly Marcus's gut-wrenching, riveting debut and will appeal to fans of Ellen Hopkins, Laurie Halse Anderson and Virginia Euwer Wolff. --GoodreadsLiz and Kate are best friends.

### **Exposed by Kimberly Marcus - The Bucket List**

Kimberly Marcus changed my mind with *Exposed*, though. I picked it up for a grad school poetry-reading assignment, and I'm so glad I did because I probably would have missed it otherwise. Her poems range from simple to intricate, and highly descriptive to general and relatable.
