### **French Women Don't Get Fat ® - Mireille Guiliano**

French Women Don't Get Fat! Is There Scientific Proof? The belief that French people don't get fat is so strong and so widely believed that some scientists have studied this phenomenon to try to understand how a nation that eats more cheese and drinks more wine per capita than the average developed nation isn't more overweight.

### **10 Reasons Why French Women Don't Get Fat: Or Is It A Big ...**

The basic message is that French women don't get fat because they move more than American women, eat good food but in moderation, and enjoy life. I disliked the generalization that American women don't to cook at home, cook what's in season, use good quality ingredients, and to eat in moderation and to try to move more.
