Forget About It Caprice Crane

I just finished reading Forget About It By: Caprice Crane. I loved this book. This book kept my interest from the beginning to the end. I was sad when the book ended I didn't want it to end at all. This was the first book I've read by this author and it will not be the last. If this book is on your TBR or TBB list you should move it to #1 on ...

"I didn't want to accept failure. Even though sometimes the strength it takes to admit failure is probably worth as much as the determination not to quit. So there you have, I was stuck fighting for a relationship with a boyfriend who, in truth be told, I'd rather forget ever existed." — Caprice Crane, Forget About It
