### **Frenemies Megan Crane**

FRENEMIES is an immediately engaging read in which Megan Crane uses wit, style, and pizzazz to chronicle the often heartbreaking hilarity of turning friends into enemies, enemies into lovers, and lovers into friends. - Heather Swain, author of Luscious Lemon “

### **Frenemies by Megan Crane**

Megan Crane's Frenemies was SUCH a fun treat. It's a book to read in one sitting when you want to go on a quick, heartwarming adventure into the world of chick lit. A group of college friends, now turning 30, living in Boston and working in different professions, still see one another nearly every weekend for parties and events.

### **Frenemies: Megan Crane: Amazon.com: Books**

Megan, I went to an Alumni Book Club group last night and met a guy (Tom) who said he had read your English as a Second Language book and convinced his other book club to read some of your work! It was really cool to randomly meet another Megan Crane fan at an English Department alumni group! :) Happy writing, Charity
