Lenore Skenazy, author of Free-Range Kids "All kids love learning. Most don't love school. That's a disconnect we've avoided discussing -- until this lightning bolt of a book. If you've ever wondered why your curious kid is turning into a sullen slug at school, Peter Gray's Free to Learn has the answer. He also has the antidote." show more

drive. Lack of free play may not kill the physical body, as would lack of food, air, or water, but it kills the spirit and stunts mental growth. Free play is the means by which children learn to make friends, over- come their fears, solve their own problems, and generally take control of their own lives.
