Excel Interview Questions & Answers

The first word of an embedded question is capitalized only when the question is long or has internal punctuation. A short informal embedded question begins with a lowercase letter. The question should not be in quotation marks because it is not a piece of dialogue. The question should end with a question mark because it is a direct question.

What Is an Embedded Question in Grammar? - ThoughtCo

I seem to have completely forgotten all the IT i learnt at school, so any help would be much appreciated. Ok, so what i want to do is, i want is the sum of 'Cell B' - 'Cell E' to go into 'Cell G' that bit is easy enough but i only want the number in 'Cell G' to be added into the total in 'Cell J' if its more than 0.
