Community Reviews. FREAKS LIKE US is a fantastic psychological mystery. The narrator could've been a gimmick, but Vaught's a better author than that. Jason is not defined by his disease. He's defined by his desires, by the way he approaches relationships, by the secrets he chooses to keep, and the way he'll do anything to help his friend.

Best Bits: First off, I think I should just say that I appreciate the uniqueness of the characters in Freaks Like Us. Yes, Jason and his friends have mental disorders, but as Vaught said in my interview with her, this isn't a book about life with schizophrenia. It's a book about friendship, love, and trust.

Quotes by Susan Vaught. "Her lips taste like mint from toothpaste or gum, or sometimes like cherries or grapes from her lip gloss. She's soft when I hold her, with curves where my hands rest, and when I touch her I think stupid caveman things like, mine and totally mine —oh yeah, and all mine ." "Avoiding life,...

That's how they sounded at first, one or two of them talking, then three or four, then five or six, and that's all they said, like swishy mutters I couldn't quite make out or understand, words that weren't words and heartbeats that weren't heartbeats and roars that were mumbles and mumbles that weren't really anything at all.

### **Freaks Like Us by Susan Vaught**

In the end, it's Sunshine's own love for Jason (Freak) that persuades him of his own strength and goodness. By turns brilliantly witty and searingly honest, Susan Vaught's newest novel is a laugh-out-loud, tear-jerking, coming-of-age story.

When Jason Milwaukee's best friend Sunshine vanishes, Jason knows that something is terribly wrong, but solving her disappearance will require pushing through all the voices in his head and then getting the world to listen to him. His schizophrenia is stopping him from remembering the events leading up to her disappearance, and often he discounts his own memories, and his own impressions.

'You're just a freak. You're just a stupid freak. Freaks don't speak. Freaks shouldn't speak. Don't talk out of your head or the swirly clouds will eat you because sometimes clouds have teeth' Jason's best friend, Sunshine, has vanished. If only Jason could push through all the voices in his head, he'd know what happened; he'd tell everyone; he'd find her.
