Filmosophy Daniel Frampton

Filmosophy is a provocative new manifesto for a radically philosophical way of understanding cinema. It coalesces twentieth-century ideas of film as thought (from Hugo Münsterberg to Gilles Deleuze) into a practical theory of "film-thinking," arguing that film style conveys poetic ideas through a constant dramatic "intent" about the characters, spaces, and events of film.

Filmosophy by Daniel Frampton - Goodreads

Filmosophy does not present a philosophy of film, nor does it explore how film contributes material for philosophical interpretation. Rather, in a lucid and clear style, Daniel Frampton argues that film is philosophy; it is itself, aesthetically, philosophical expression – a medium for thinking – and an accompaniment to thought.

Sometimes when reading Daniel Frampton's book about a brave new frontier called "filmosophy" you get the feeling it's yesterday's news offering itself up as tomorrow's world. Though Frampton is at pains to point up any hint of a "filmosophical" predecessor in terms of its conceptual roots – Antonin Artaud, Sergei Eisenstein, Jean-Louis Schefer and, of [...]

Filmosophy | Columbia University Press

Filmosophy is a provocative and significant intervention in the contemporary dialogue about the cinema as manifest philosophy, expressed in both thought and action. Frampton's expansive rhetoric is refreshing, his film references eclectic and his prose a pleasure to read.--Vivian Sobchack
"University of California, Los Angeles "

Filmosophy by Daniel Frampton - Read Online

Daniel Frampton Filmosophy: Colour I In the history of film studies philosophy has not played much of a part. Disciplines such as literature, sociology and psychoanalysis have sped away with 'cinema', and a significant, philosophical reassessment of the ground of moving images has been continuously passed over (usually in fear), and placed in the margins of film studies.
