Focus Science. Laboratory Requirements. Central to the design of the curriculum is the philosophy that the middle school science student should be engaged in laboratory work during at least fifty percent of class time. This time frame includes pre-laboratory preparation and post-laboratory analysis.

Middle School Science SOL Resources - LiveBinder

Most students in grades 3 and up take Standards of Learning (SOL) tests each year, as required by state law. Test results are generally available for parents and guardians about 3 months after the test was taken. Official student results are distributed to parents and guardians after each testing window.
