Flickering Pixels: How Technology Shapes Your Faith ...

Flickering Pixels: How Technology Shapes Your Faith. Flickering pixels are the tiny dots of light that make up the screens of life—from TVs to cell phones. They are nearly invisible, but they change us. In this provocative book, author Shane Hipps takes readers beneath the surface of things to see how the technologies we use end up using us.

Flickering Pixels: How Technology Shapes Your Faith by ...

I read Flickering Pixels: How Technology Shapes Your Faith by Shane Hipps on a plane to Ethiopia when I'd be all but disconnected from the technology I love so much for 10 days. The main premise of Flickering Pixels is that technology has a profound impact on how we think, feel, react and, well, everything.

Flickering Pixels: How Technology Shapes Your Faith by ...

Such a technology takes work to master and, when mastered, completely transforms our consciousness. Also some very interesting thoughts on the difference between the way we view words vs. images: Our brains process printed words and images in different ways.

Flickering Pixels: How Technology Shapes Your Faith by ...

Flickering pixels are the tiny dots of light that make up the screens of life—from TVs to cell phones. They are nearly invisible, but they change us. In this provocative book, author Shane Hipps takes readers beneath the surface of things to see how the technologies we use end up using us.

Flickering Pixels - harpercollinschristian.com

You can listen to the full audiobook Flickering Pixels: How Technology Shapes Your Faith, free at our library. The methods change, but the message stays the same. This saying is the guiding light ...

Flickering Pixels: How Technology Shapes Your Faith Audiobook by Shane Hipps

Flickering Pixels: How Technology Shapes Your Faith. Flickering pixels are the tiny dots of light that make up the screens of life—from TVs to cell phones. They are nearly invisible, but they change us. In this provocative book, author Shane Hipps takes readers beneath the surface of things to see how the technologies we use end up using us.

Flickering Pixels: How Technology Shapes Your Faith: Shane ...

Flickering Pixels How Technology Shapes Your Faith. They are nearly invisible, but they change us. This is the story of how technology shapes our life and faith without our knowledge or permission. — A decade ago, media guru Marshall McLuhan coined the now-famous phrase “The Medium is the Message.” Author Shane Hipps,...

» Flickering Pixels - Shane Hipps

Shane Hipps challenges this line of thinking in Flickering Pixels, however, by using the hidden power of technology to demonstrate that changing our methods always leads to the changing of our message.

Flickering Pixels: How Technology Shapes Your Faith - eBook

3."Flickering pixels [the screens in our lives] ...change our brains, alter our lives, and shape our faith, all without our permission or knowledge." (14) 4."Technology both gives and takes away, and each new medium introduced into our lives must be evaluated." (21) 5.As Marshall McLuhan said, "the medium is the message."

Doug Nichols: Flickering Pixels: How Technology Shapes ...

"image culture dramatically shapes the way we think. It also determines what we think about. Images are not well suited to articulate arguments, categories, or abstractions. They are far better suited for presenting impressions and experiences." — Shane Hipps, *Flickering Pixels: How Technology Shapes Your Faith*

Flickering Pixels Quotes by Shane Hipps - Goodreads

Bottom Line. Shane Hipps' *Flickering Pixels* is a well-written, thought-provoking look at how technology can shape us and our faith. If you are at all interested in technology and ministry, this book is a must read. It goes down easy, but packs a punch!

Shane is an executive coach, sought after speaker, and author of several award winning books. His most recent is *Cats Don't Bark: A Guide to Knowing Who You Are, Accepting Who You Are Not, and Living Your Unique Purpose* (Hachette, 2015).

Shane Hipps

"Flickering pixels [the screens in our lives] ...change our brains, alter our lives, and shape our faith, all without our permission or knowledge." (14) "Technology both gives and takes away, and each new medium introduced into our lives must be evaluated." (21)

Book Notes by David Mays

My wife and I have teenage daughters, and we have been involved in a church that was very media/technology savvy here in south Georgia, but have now moved to a church that is not. I came across a couple of articles that referenced among others, Shane Hipps book, "*Flickering Pixels How Technology Shapes Your Faith*. So I purchased it.
