Neuter Orchiectomy Orchidectomy Synonymous. Fix Castration Definition The removal of both testes to render the male rat sterile. Clinical Signs

Health Guide: Neuter

Sepsis is a life-threatening condition that arises when the body's response to infection causes injury to its own tissues and organs. Common signs and symptoms include fever, increased heart rate, increased breathing rate, and confusion. There may also be symptoms related to a specific infection, such as a cough with pneumonia, or painful urination with a kidney infection.

Sepsis - Wikipedia
