**Freak Show James St**

Freak Show is a great book about a kid trying to belong at his new high school, but some of the phrases and slang made absolutely no sense at all. It was like Urban Dictionary or something. "Aberzombie"? I don't know, maybe terminology like that is just from a different era or generation or something.

**Freak Show by James St. James - Goodreads**

Freak Show is quite simply one of the most charming books about teenage life available on the market today. After the glitter blood bath that was Party Monster I found myself hungering for more of St James's writings and was surprised to discover that his only other published work to date was a book for teens.
