Answers. The only way you can get even answers (and this is true for ANY mass produced math text) is if some prof somewhere systematically works out the answers and posts them online. Publishers do this both as a cost saving measure, and to ensure that the books have value as a source of test questions.

Im a senior in college- an art school. But I can't, for the life of me, pass College Mathematics! Here's the thing: - I've tried going to tutors. Didn't work. Still don't get it. - I tried talking to my teacher- but he's an Indian guy, and very by the book. Most Indian teachers I've come across are square and have this very un-caring attitude.
