A hedge fund is an investment fund that pools capital from accredited investors or institutional investors and invests in a variety of assets, often with complex portfolio-construction and risk management techniques. It is administered by a professional investment management firm, and often structured as a limited partnership, limited liability company, or similar vehicle.

Hedge fund - Wikipedia

Check if your spelling is correct, or try removing filters. Remove quotes around phrases to match each word individually: "blue drop" will match less than blue drop. You can require or exclude terms using + and -: big +blue drop will require a match on blue while big blue -drop will exclude results that contain drop.
