Examples Of Resolutions

In law, resolution is a written motion adopted by a deliberative body. The substance of the resolution can be anything that can normally be proposed as a motion. For long or important motions, though, it is often better to have them written out so that discussion is easier or so that it can be distributed outside the body after its adoption.

Resolution is the noun form of the verb resolve, which comes from Latin *resolvere*, "to loosen, undo, settle." We can still see this meaning in resolution, in the sense of "an explanation" or "a solution"; when a problem, conflict or mystery reaches its resolution, it has been "undone," so to speak. Another common meaning is "determination, resolve": "Jose approached the task with resolution."
