In the early days of lasers it came as a surprise that these tools of light could be used in the science of medicine, since no one envisioned that they might be able to heal or otherwise improve people's physical well-being.

Medical Uses of Lasers - The Advent of the Laser Scalpel

Western medicine is Rockefeller medicine – all the way. Western medicine has some good points, for sure, and is great in an emergency, but it's high time people realized that today's mainstream medicine (western medicine or allopathy), with its focus on drugs, radiation and surgery, is at its foundation a Rockefeller creation.

Origins | Netflix

An intelligent satire on writing screenplays, pitting inspired work against Hollywood cookie-cutter and commercial pressures. The uptight, tormented Barton is whisked away to Hollywood to write a pointless b-movie after his plays become a success, and he finds himself in a surreal hell that becomes more and more literal.
