Fallen Angel 1 Heather Terrell

To sum up my opinion on Fallen Angel: did not like; will not touch sequel; probably won't read any paranormal books by Terrell. Novels like Fallen Angel make me dislike the paranormal genre. What once was so original has become this washed-out cliché garbled mess. Try as I might, I can't completely shy away from fantastical elements.

Fallen Angel (Fallen Angel, #1) by Heather Terrell

Fallen Angel by Heather Terrell is a slightly different and unconventional story about angels in the young adult market. While in keeping with the traditional theme of fallen angels left behind on earth - with those trying to return to heaven and those who choose to remain - the author has added the element of bloodlust to the mix.
