Sex matters to us all. The Osho approach to sex begins with an understanding of how important love is in our lives, while at the same time acknowledges that the journey into love cannot exclude our innate biological energies. With this perspective, it becomes clear that the tendency for religions, and for society in general, to associate sex with sin and morality has been a great misfortune.

### **Sex Matters: From Sex to Superconsciousness - Osho ...**

To know sex is to be free of it, is to transcend it. But even through a lifetime of sexual experience, human beings make no effort to understand that intercourse gives them a fleeting experience of samadhi, a peek into superconsciousness. And that is the great pull of sex; that is the root attraction of sex. It is this experience that beckons you.

### **Sex - Superconsciousness - Experience? - Osho Online Library**

The biggest outlet for man's energy is sex. Sex is a continuous drain, and it should be stopped. No one likes to lose anything, but as I told you earlier, there is an irresistible reason why man overdraws on his energy so much. Because of the blissful glimpse in sex, man is dragged, willy-nilly, into losing energy time and time again.
