Fire Season is Connors's remarkable reflection on work, our place in the wild, and the charms of solitude. The landscape over which he keeps watch is rugged and roadless—it was the first region in the world to be officially placed off limits to industrial machines—and it typically gets hit by lightning more than 30,000

Without doubt, this was the most enjoyable read I've had all year. Author Phillip Connors left a job with the Wall Street Journal to take up summer residence in a fire tower perched atop Apache Peak in the Gila National Forest's Aldo Leopold Wilderness Area. After eight years of watching over the forest from his mountain peak, Mr.

Fire Season Field Notes From A Wilderness by Philip Connors was a delightful surprise on many levels. I have a longterm history of loving the southwest and a great appreciation for authors such as Edward Abbey. Mr. Connors follows in the fire lookout footsteps of luminaries such as Mr. Abbey, Jack Kerouac, and Normal Maclean.
