### **Firefly Beach by Meira Pentermann - Goodreads**

Firefly Beach is the type of book I love to read. The prose is impeccable and the pace is quick; I couldn't turn the pages fast enough. The story sucked me in and didn't let go until I reached the end. I also loved the magical aspect of the firefly, and its origin intrigued me. This was a mystery I wrapped myself up in, and I loved how it unfolded.
