Free Culture: The Nature and Future of Creativity. Lawrence Lessig, "the most important thinker on intellectual property in the Internet era" (The New Yorker), masterfully argues that never before in human history has the power to control creative progress been so concentrated in the hands of the powerful few, the so-called Big Media.

Free Culture: The Nature and Future of Creativity by ...

Preface. Lessig claims to defend a free culture that is balanced between control — a culture that has property, rules, and contracts pertaining to property that are enforced by the state — and anarchy — a culture that can grow and thrive when others are allowed to use and build upon the property of others.

Free Culture (book) - Wikipedia

The relationship between nature and culture has been a common and contested theme in the discipline due to the argument of whether the nature--culture dichotomy is a given universal or a ...

What's the relationship between 'nature' and 'culture'

Volume 13, Issue 3, Winter 2018. Nature and Culture (NC) is a forum for the international community of scholars and practitioners to present, discuss, and evaluate critical issues and themes related to the historical and contemporary relationships that societies, civilizations, empires, regions, and nation-states have with nature.

Nature and Culture | Berghahn Journals

A free culture is not a culture without property, just as a free market is not a market in which everything is free. The opposite of a free culture is a "permission culture"—a culture in which creators get to create only with the permission of the powerful, or of creators from the past.

Nature and culture are often seen as opposite ideas—what belongs to nature cannot be the result of human intervention and, on the other hand, cultural development is achieved against nature. However, this is by far not the only take on the relationship between nature and culture.

The Nature-Culture Divide - ThoughtCo

Chapter One: Creators. For most of our history, the public domain was just over the horizon. From 1790 until 1978, the average copyright term was never more than thirty-two years, meaning that most culture just a generation and a half old was free for anyone to build upon without the permission of anyone else.

Free Culture - Chapter One: Creators (by Lawrence Lessig)

First published in 1869, Nature is the world's leading multidisciplinary science journal. Nature publishes the finest peer-reviewed research that drives ground-breaking discovery, and is read by ...

Nature

In White Fang, Jack London sought to trace the "development of domesticity, faithfulness, love, morality, and all the amenities and virtues." In this lesson, students explore images from the

Klondike and read *White Fang* closely to learn how to define and differentiate the terms “nature” and “culture.”

Investigating Jack London's *White Fang*: Nature and Culture ...

NATURE AND CULTURE converge in many ways that span values, beliefs and norms to practices, livelihoods, knowledge and languages. As a result, there exists a mutual feedback between cultural systems and the environment, with a shift in one often leading to a change in the other.

Resurgence • Article - Nature and Culture

If you are looking for relaxation, enjoyment, peace and meditation then you are in the right place. My direction in life is nature. I am the one who goes to a rare place in nature and I record all...

Culture of Nature - YouTube

The relationship between nature and culture can catch the attention of human in which the opinions and requirement of human towards nature are being changed and distorted. Thinking of arbitrary designing method is available in architecture; people actually play a passive role in their own space.

At a different level, nature and culture have been distinguished from the standpoint of freedom of action. Naturalness is, first of all, spontaneous, instinctive, unreasoned, that is, it makes no use of deliberative thinking, judgment or reflection, which to the contrary, characterise the use of freedom, i.e., of voluntary action.
