Lately, I've come across a number of questions online by plainly anguished people, asking: Why do I have no friends, no life? The first time I saw one this blunt, I reacted almost defensively, laughing as I recalled an old film in which a man hires a private detective to find out why he has no friends. Isn't it obvious? But I knew so well how much the question implied.

Depressed: No Friends, No Life • Storied Mind

Very Unlikely, the way I see it technology will make 99% of the world population useless to those who have the highest economic power, its sad to think this way but the average person like you and me is a waste of land and resources while also being a major contaminant as well as a bother to those in control, when the technology becomes a factible replacement for human labor which seems to be ...

World must undergo huge social and financial transformation to save future of human life, major report finds | 'It's time to rethink how we grow food, travel and look after the countryside: it may mean hard choices but the rewards are enormous' : worldnews - reddit.com
