### **Evil Librarian by Michelle Knudsen - Goodreads**

I read Evil Librarian because I am a school librarian (not evil) and was dying of curiosity. "Revenge of the Evil Librarian" is a fun, zany, original read. Trust me, I've read a looooot of books about magical beings of all kinds, and this one still feels fresh. The characters are all likable (even the bad ones), and there is an element of mystery and a wee bit of dread as the final confrontation looms.

About Revenge of the Evil Librarian. The stage is set for a fiendishly dramatic summer at theater camp for Cynthia and her boyfriend, Ryan. With no demons at all. Right? Last fall, Cynthia Rothschild saved her best friend, as well as the entire student body, from the demon librarian, Mr. Gabriel, all while executing the most awesome set design for the school musical, Sweeney Todd.

Evil Librarian is a fun YA with a charming romantic thread (although I wouldn't call it a romance novel, strictly speaking). It's a great read for Halloween, a holiday which in my mind extends through October and November and runs straight into Christmas, pausing only to filch a couple of pies from Thanksgiving.
