Fundamentals Of Investments 6th Edition

Fundamentals of Investments focuses on students as investment managers, giving them information to act on by placing theory and research in the proper context. The text offers a balanced, unified treatment of the four main types of financial investments—stocks, bonds, options, and futures.

Amazon.com: Fundamentals of Investments: Valuation and ...

Fundamentals of Investments (6th Edition) View more editions 73 % (601 ratings) for this book. The determination of large stock depends upon the market capitalization which is product of market price per share and number of shares outstanding. Thus, the stock of the company having large market capitalization would be considered as large stock. Also, the company having small market capitalization would be considered as small stock.
