The Personal Finance Society (PFS) is a professional body dedicated to building trust in the financial planning profession.

Home | Personal Finance Society (PFS)

Finance is a field that is concerned with the allocation of assets and liabilities over space and time, often under conditions of risk or uncertainty. Finance can also be defined as the art of money management. Participants in the market aim to price assets based on their risk level, fundamental value, and their expected rate of return. Finance can be split into three sub-categories: public ...

Campaign finance refers to all funds raised to promote candidates, political parties, or policy initiatives and referenda. Political parties, charitable organizations, and political action committees (in the United States) are vehicles used in aggregating funds to keep campaigns alive. "Political finance" is also popular terminology, and is used internationally for its comprehensiveness.
