Interview Questions About Your Salary Expectations

For the most part, interviewers ask this question believing that offering a salary 10 to 15 percent higher than your current salary will be sufficient to lure you away from your current position. There are a number of reasons why this question may not be so straightforward for many candidates.

HOW TO ANSWER: What Are Your Salary Expectations?

For example, you might tell them your expected salary is \$65,000, but the minimum they pay for that job is \$70,000. Then they would pay you \$70,000 even though you “only” asked for \$65,000—a huge win! Except they’re paying you the absolute minimum salary they possibly can, and you could’ve gotten a lot more.
