Floating City A Rogue Sociologist

Floating City: A Rogue Sociologist Lost and Found in New York's Underground Economy chronicles Venkatesh's decade of discovery and loss in the shifting terrain of New York, where research subjects might disappear suddenly and new allies emerge by chance, where close friends might reveal themselves to be criminals of the lowest order.

Floating City: A Rogue Sociologist Lost and Found in New ...

Floating City is a sociological study of the modern NYC underbelly, as experienced by Venkatesh in the years following his move to Columbia to lecture in 1999. Having already completed a study of Chicago gangs, Venkatesh originally set out to explore the lives of the drug gangs in his new city, but quickly found that due to its constant state ...

Click to read the full review of Floating City: A Rogue Sociologist Lost and Found in New York's Underground Economy in New York Journal of Books. Review written by George De Stefano.

Floating City: A Rogue Sociologist Lost and Found in New ...

What a difference a title makes, or even a subtitle. The version I read, the US edition which I received as a review copy, had the subtitle "A Rogue Sociologist Lost and Found in New York's Underground Economy." This irritated me throughout the book, because I kept expecting Sudhir Venkatesh to "go rogue", and he never did. He perhaps got a bit more emotionally involved with his ...

Floating City (Book) | San Francisco Public Library ...

The crack epidemic in the United States was a surge of crack cocaine use in major cities across the United States between the early 1980s and the early 1990s. This resulted in a number of social consequences, such as increasing crime and violence in American inner city neighborhoods, as well as a resulting backlash in the form of tough on crime policies.
