Few moments in history altered the course of human development like this single one. What came with this first book was a massive leap in technology, and what's more, accessible information that brought with it a struggle for knowledge, with the powers-that-be on one side and the common man on the other.

Animal worship (or zoolatry) refers to rituals involving animals, such as the glorification of animal deities or animal sacrifice. When a god is respected or worshipped by means of a representative animal, an animal cult is formed (Teeter et al., 2002, p. 355). Animal cults may be classified according to their outward form or according to their inward meaning, which may of course undergo

5. Did pre-flood humans mate with animals and give birth to new sub-human species and races? EGW: YES "But if there was one sin above another which called for the destruction of the race by the flood, it was the base crime of amalgamation of man and beast which defaced the image of God, and caused confusion everywhere" (Spiritual Gifts, vol. 3, p. 64).
